

HEARTH PRODUCT CLIENT LISTING

PFS TECO clients that manufacture Hearth Products are listed under a service designated as *Listing by Report*. The description of these products or construction, and information concerning proper field assembly and/or installation, are contained in this Client Listing.

The PFS checkmark certification mark(s) on these products – as illustrated below – is evidence that the manufacturer is under contract with PFS TECO for trademarking and follow-up inspection service.

PFS TECO is recognized by the *International Accreditation Service, Inc. (IAS)* as an ISO/IEC 17025-accredited testing laboratory and as an ISO/ICE 17020-accredited inspection agency for heating and gas appliances (www.iasonline.org). PFS TECO is also recognized by the *Standards Council of Canada (SCC)* as a certification body for heating and gas appliances put into service in Canada (www.scc.ca).

For fireplace mantle installations, hearth extensions, and floor protection, please refer to the manufacturer's installation instructions.
